Also attached is an outline of topics to be addressed in the EOI. A suggestion your Club may like to consider is to join together with one or more clubs in your region and work together in preparing an EOI and sharing hosting and vocational preparations. Your region coordinator will be contacting you shortly to determine your level of interest and to assist in any way possible.

**Expression of Interest (EOI) – GSE Team Hosting - 2011**

The purpose of this EOI is to provide the Rotary Clubs of District 9690 the opportunity to host the inbound GSE teams from D3470 Taiwan and D3860 Philippines during March and April 2011. The hosting period by each Club, or group of Clubs, will be about 5 or 6 days of the 4 week stay by the teams. NB The team will be attending the District Conference in Bathurst – March 18 -20, 2010.

Each inbound team will consist of a team leader and 4 team members.

Clubs will need to consider the following:

- A proposed vocational program (more details to be forwarded when we are advised of the teams' make up)
- A proposed accommodation plan including hosts details (The Rotary Foundation requires full details.)
- A proposed cultural, entertainment, and social plan
- A changeover plan addressing arrival and departure from /to previous or next hosting club/s (this may be considered at a later date when we decide on the program)
- Arrangements for emergency treatment eg doctor / dentist
- Inbound team presentations to clubs
- Contact details for the host Club or group of Clubs

We understand that arranging a full itinerary without the make-up of the team do present some challenges but we do need to move on this and firm up the hosting. As soon as further information comes through we will pass it on immediately

**Submissions:**

Your expression of interest should be submitted to :
